

TIPS ON HOW TO CROSS THE STRIP DURING THE RACE

Please read below to learn about **road closures** and **important alternate options** to cross the Las Vegas Blvd Strip during the Rock 'n' Roll Las Vegas Marathon, ½ Marathon and 10k on Sunday, Nov. 11.

Las Vegas Blvd Road Closures:

- All of Las Vegas Blvd will be closed no later than 2:30 pm to vehicular traffic; some portions will close earlier due to start/finish line set-up.*
 - Southern portions of Las Vegas Blvd. will begin reopening at 8:00 pm (starting at Sunset Rd) and moving north after the last runner (towards Tropicana).
 - Most northern portions of Las Vegas Blvd will begin reopening at 10:00 pm (starting at Ogden Ave) moving south after the last runner (towards Harmon Rd).

Pedestrians: Pedestrian access is available at **7 walkways over Las Vegas Blvd**. Once the races begin, there will be no surface street crossing available on the main part of the Strip. *Note-the pedestrian bridge on the westside of Las Vegas Blvd and Tropicana (between NY, NY and Excalibur) will be under construction at the time of the race. Please use the adjacent bridges on Tropicana to cross the Strip.*

Monorail: There is a monorail line that services guests between hotels **on the east side of the strip**, as there are seven stations stopping at major hotels and the Convention Center. See more at:

www.lvmonorail.com

Tram: There are three tram lines that service guests between **hotels on the west side of the strip** (Mirage-Treasure Island Tram, Bellagio - CityCenter - Monte Carlo Tram, Mandalay Bay-Luxor-Excalibur Tram). See more at: www.vegas.com/transportation/monorails.html

Vehicles: Vehicle access is possible by utilizing I-15 to the west, Paradise Road/Maryland Parkway to the east, I-215 to the south, I-515 to the north, and Desert Inn Road (goes under Las Vegas Blvd) in the middle of the strip. Driving is not encouraged as traffic is **very** difficult during the road closures.

Hotel Zones:

Zone directions have been created to help hotels guests and employees access the opposite side of Las Vegas Blvd. See detailed directions on the zone directions posted online. Zones are defined as below:
