HEALTH & MEDICAL INFORMATION

- Your safety is our primary concern. The medical team will be staffing the medical facilities at the Start Village at Toshiba Plaza at T-Mobile Arena, the Start Line, and the Finish Line. Medical resources will also be available while you are out on course.
- If you are not feeling well on race morning, we strongly advise you not to start the event.
- If you start to feel unwell at any point during the race, we urge you to seek help rather than continue.
- Vegas during February, while good running weather, can be chilly at night. We've prepared a few tips below to help you stay warm and experience all that Las Vegas has to offer:
 - Consider your clothing – layer, layer, layer. Do your best to cover your entire body to protect from cold air and wind.
 - Don't forget your head, hands, and feet – most of your body heat is lost through your head. Wear a thin hat and gloves to trap in the heat.
 - Check some warm gear – get out of wet clothes immediately after the race. It's important to change the clothing closest to your body to stay warm and dry. For more information on Gear Check, please review the information in the following distance-specific pages.
 - Listen to your body – if you don't feel right, stop at a medical station to get checked out, or stop any race official you see on course who can help you seek assistance.

DO NOT BE AFRAID TO ASK FOR HELP!

- If at any time during the race you experience chest pain or discomfort, shortness of breath, lightheadedness (dizziness), numbness around the mouth or in hands, difficulty concentrating, or stop sweating please stop immediately and seek medical attention.
- **DURING THE RUN:** If you are at a water station or aid station, let someone know you are in need of medical help. If you are not at or near a water station or aid station – STOP – let someone know you need medical help. Anyone can help - another participant, a volunteer, a staff vehicle, event support vehicle, even a spectator. Have them alert the nearest water/aid station or staff member that you need medical assistance. Make sure you provide your bib number to initiate your care.
- **HELPING ANOTHER RUNNER:** If a fellow runner needs help, please use the same steps listed above to help get the runner medical assistance. Make sure to provide the bib number of the runner in need of help.
- After you have finished the race, please do not leave the post-race area until you are able to drink without vomiting, stand without dizziness and feel okay. If you are not feeling well, please come to the event medical tent to be evaluated by the medical team before leaving the post-race area.

HELPFUL TIPS & RUNNER ETIQUETTE

- **ARRIVE EARLY** to the start area. We recommend you arrive on site 45 minutes to 1 hour prior to race start to ensure you are settled in and have time to use the restrooms prior to the race. Group colors will open per the loading schedule.
- **PAY ATTENTION** to pre-race announcements over the PA system. Listen to important race tips and information given by the race announcers. It's called the Rock 'n' Roll Running Series, we LOVE music, but if wearing headphones please be sure to remain aware of what's going on around you!
- **RESPECT YOUR ASSIGNED START GROUP COLOR.** During registration you were asked how long it would take you to complete the distance. You were assigned a starting group color based on that time in order to be placed with people of the same or similar pace.
- **BE AWARE OF YOUR SURROUNDINGS.** If you need to stop or would like to move off to the side, don't make any sudden movements, and check around you to ensure it is safe to do so.
- **IF YOU MUST SHED LAYERS OF CLOTHING,** tie them around your waist or place them on the side of the road so no one will trip over it. We will donate anything tossed to the side to a local shelter, so it'll find a good home!
- **WHEN APPROACHING AN AID STATION,** move to the right and grab items from the volunteers. Do not stop, please continue moving forward so you don't block the table or volunteers for the participants behind you.
- **PLEASE BE RESPECTFUL** of the community, and throw any trash into the receptacles at the aid stations!
- **DO NOT RUN MORE THAN TWO ACROSS.** We want you to enjoy the race with your friends and family, but please allow people space to pass by you!
- **SAY THANK YOU** to the volunteers on course and in the Finish Line!
- **AT THE FINISH LINE, DON'T STOP MOVING!** Run or walk past the timing mat and into the finishers' area. Please do not stop to wait for friends or take photos. Wait for friends and family outside of the finishers' area to allow others to finish.
- **ONLY TAKE ONE OF EACH ITEM** in the Secure Zone area. After you finish, there will be water, Mortal Hydration, and snacks for you to enjoy. Please be respectful and save some for the people that are still out on the course to enjoy!
- **BECOME A VIP** by adding a VIP package at the Health & Fitness Expo. VIPs can enjoy upgraded amenities and lounges at the Expo, on Saturday night, and on Sunday both pre- and post-race.

Give meaning to your miles. **RUN FOR A REASON[®]**

St. Jude Children's Research Hospital[®] is the National Featured Charity of the Rock 'n' Roll Running Series. St. Jude Heroes[®] are committed to raising funds for the kids of St. Jude while they train for their race. They can earn great benefits like free race entry and hospitality access, but the greatest benefit is knowing they are helping kids battling cancer and other life-threatening diseases.

St. Jude is the proud title partner of both the St. Jude Rock 'n' Roll Washington DC and St. Jude Rock 'n' Roll Nashville. Runners can also choose to run for a reason or donate to St. Jude in all Rock 'n' Roll Running Series events in the United States. Do more with your miles and become a St. Jude Hero for your next race.
